

## Harveys Supermarkets - Candy Corn Pretzel Bites

### Ingredient List

- 1 bag bite-sized pretzels
- 1 bag Hershey's Hugs & Kisses
- 1 bag candy corn

### Directions

Preheat oven to 250 F.

Lay out as many pretzels as you have Hershey's Hugs, stacking the chocolates on top.

Put in oven for 5-10 minutes to melt the chocolate - you may want to check after five minutes.

If chocolate melts easily when you press down on top, they are ready.

Remove and add candy corn to the top, gently pressing down on top.

Allow to cool before serving, as chocolate will be hot inside.
