

Harveys Supermarkets Coconut Cake

Ingredient List

- 1 (18.35 oz.) package yellow cake mix,
or 4 layers of your favorite recipe
- 2 (8 oz.) cartons sour cream
- 2 cups confectioners' sugar
- 1 (12 oz.) carton frozen whipped topping, thawed
- 1 (12 oz.) package frozen grated coconut, thawed

Directions

Combine sour cream, sugar, whipped topping and coconut, saving some coconut to sprinkle on top of cake.

Refrigerate while baking cake.

When layers are cool, spread tops and sides with icing and top with remaining coconut.

Place cake in tightly covered cake server and refrigerate 3 days before serving.
